

## **2011/2012 HOST A PARTY FORM**

As part of our fundraising efforts, we are offering a year-round party book where hosted parties will be held at various times throughout the school year and into the summer. You and other parents have the opportunity to host and/or attend parties hosted by other parents. Although hosts donate a party, parents who attend pay per person for their own attendance. Dates and full descriptions of all the amazing parties will appear in our online party book.
